Most of the time, if it sounds too good to be true, it's false. However, all things are possible with God, especially in the days we are living! The perfect will of God is for every person to love life and experience nothing but good days.

Key points:

- God is waiting on us to receive what He has already given us.
- In the original languages:
 - See = experience
 - Good = beautiful, excellent, magnificent, profitable
 - Evil words = worthless or injurious words
 - Guile = deceit
 - Conversation = course of life
 - Show = enjoy and experience
 - Salvation = God's prosperity, liberty, deliverance, safety
- God's words are the most powerful force in existence.
- He watches over His word to perform it, so we need to speak His word.
- The most powerful words we can speak are forgiveness, grace, and encouragement.
