

# Donna's Delights: Best Way to Cook Corn on the Cob

## Ingredients

- 6-8 ears of corn, husks and silks removed and cut in half (if desired)
- 1 cup milk
- 1 stick of butter

## Directions

- Fill a large pot about halfway with water.
- Bring water to a boil.
- Add milk and butter. Add corn and reduce heat.
- Simmer corn for 6-8 minutes.
- Remove corn from cooking liquid, and it's ready to serve.
