

Donna's Delights: Homemade Strawberry Banana Ice Cream

This recipe is for an ice cream maker. However, you could use a mixer and then freeze in a metal cake or bread pan.

Ingredients

- 4 eggs
- 2 1/4 cups sugar
- 4 cups heavy cream
- 4 1/2 tsp vanilla
- 3 medium bananas (cut into bite size pieces)
- 1 pint of strawberries (cut into bite size pieces)
- Add milk up to fill line of freezer container

Directions

- Add sugar gradually to beaten eggs.
- Continue to beat until mixture is stiff.
- Add vanilla, strawberries, bananas, and 4 cups heavy cream and mix thoroughly.
- Pour into gallon freezer container and add just enough milk up to the full line and freeze as directed.
Makes 4 quarts.
