God's greatest pleasure is for people to have perfect health and financial prosperity. God is speaking to us daily to guide us how we can experience this lifestyle. This lesson will teach you how to know God's perfect will for your life and hear His voice to guide you into health and prosperity. You shall know the truth, and the truth will make you free (John 8:32).

Key points:

- If your prayers are not being answered or if you're not hearing the voice of God, there's a problem. Ask God to show you what's wrong, and then make the correction.
- The will of God is not a mysterious thing for believers; it is made known to us by reading the Bible.
- The Scriptures are clear that God's will for us is to be healthy and prosperous.
- Sin prevents us from experiencing the perfect will of God. It also gives satan a legal right to interfere, which makes it difficult to receive from God or hear His voice.
- God's voice is peace, so be led by peace.
